

2009 Application Results

Applicants are sorted by First Choice DHA, then by Last Name

If you picked an undersubscribed DHA, i.e. Supply exceeded Demand, you were automatically placed in that DHA. You are not expected to attend the Lottery Gala Event. Take the wife out for a lovely dinner. Your assigned DHA is in the lovely yellow column. If you don't see a number there, that means you are required to attend the Lottery Gala Event and will need to plan on seeing Bork's ugly face at UMD on 23 July. Details are on the website.

Please verify your First Choice. There may have been mistakes. If you think there is a mistake, you will need to produce your printed off copy of the application form, and Bork will fix the issue. Also, please make sure that your party is correct if you applied as one. Parties are color-coded. If you did not apply as a party, and are included in one with a color, please let Bork know.

Initials are included as a hint, so that 37 of you don't email Bork because you forgot your Personal ID#. Seriously, that happened many times in 2008, believe it or not.
