

2020 Tentative Roster

Seeing your name on this list only means that you were assigned to a DHA in the Application Process & Lottery. To actually be placed into the 2020 Hunt, you are still required to attend one of two Orientation Nights, held at Duluth Archery Club. Details are on the ABA website. There will probably be no email reminders due to the issues we're having. Any questions about this list, please contact Bork. He isn't perfect, and makes no claim that this list is entirely without error. Thanks all!

Please note that this is the final time that you will see your Application ID#. You will now use your 2020 Hunter ID. This list is sorted alphabetically by last name.
